AND SO THE ETHER BURNS

The following message was received by the Oriskany yesterday from the distinguished men of the Kearsarge. (Mind you, it was sent without apologies to Joyce Kilmer who wrote the poem, "Trees.")

FROM KEARSARGE TO ORISKANY

I HOPE THAT I SHALL NEVER SEE
A SHIP LIKE THE ORISKANY

A SHIP THAT STAYS IN PORT A YEAR
LIKE IT WAS GLUED TO PIEDMONT PIER

THEY EVEN USE OUR HUMBLE SCOW
TO LAUNCH THEIR PLANES... THEY DON'T KNOW HOW

HAVE YOU SEEN BRIDGES AT TOKO-RI
THAT'S OSCAR BAIT FOR '53

AN OSCAR MUST HAVE BEEN THEIR GOAL
BUT WERE THE ONES WHO PLAYED THE ROLE

IS OUR SHIP PERFECT? HEAVENS NO
BUT HERE'S A THOUGHT BEFORE WE GO

BUILD ANOTHER THIRTY THREE
AND SCUTTLE THE ORISKANY.

FROM ORISKANY TO KEARSARGE

DISPATCH RECEIVED AND CONTENTS SCANNED
APPARENTLY WE ARE BEING PANNED

COME NOW, FRIENDS, DON'T LOSE YOUR GRIP
YOU'RE STAND-IN FOR A FIGHTING SHIP

FAR AWAY FROM HOMES AND MOTHERS
WE'VE CAST YOU KEARSARGE BOYS AS LOVERS

HERKIMER'S ODE TO THE ORISKANY

We know that there will never be
A ship as proud as the ORISKANY!

But, a ship that gets so many breaks
Must be "tops" for Heaven's sakes!

It's true, we like old Piedmont Pier;
Life can be beautiful - "WISH YOU WERE HERE"

Poems are made by fools like thee,
But the "Bridges" were bombed by ORISKANY!

We inspired "The Bridges at Toko-ri!
We also got the Navy "E"!
And the Navy Oscar for '53!

We'll never scuddle the O-RISKANY!
But we could do without the '33!
So, tweedle-dum and tweedle-dee!
